Excisions: Excisions Recommended And Made

Reasons for excisions:

The publication requires the excision of five trailers, one of which plays twice. This is necessary to remove depictions of sexual activity that degrade, demean and dehumanise the female participants and, by extension, women in general, to a high degree. The women are degraded, demeaned and dehumanised by the activities, by the way that the scenes are filmed and by the way that they are positioned and treated.
